Environmental Response Training Program (ERTP) Contract, full & open

Award Period 1, August 1, 2011 – July 31, 2013

Work Assignment 1-013 Environmental Remediation Technologies course

Purpose /Background

The purpose of this WA is to strengthen the ability U.S. EPA and it's Tribal, State and Local partners on making sound decisions on remediation technologies. This is to be done by delivering 12 Environmental Remediation Technologies (ERT) course offerings, as well as support the annual National Association of Remedial Project Managers (NARPM) conference. The dates and locations of the deliveries will be determined by the Project Officer, in coordination with EPA Regional training coordinators.

1.0 Task to be performed

Under this work assignment, the Contractor shall be prepared to present 12 ERT course offerings. This course provides participants with an overview of the treatment technologies most frequently used for cleanup of contaminated media. It is intended for new On-Scene Coordinators, Remedial Project Managers, Waste Site Managers, and other environmental personnel interested in remediation. Course presentations include the following activities: provision of equipment, materials, and supplies, personnel travel, equipment shipment, and liaison with regional or state training contacts. Support of the NARPM conference shall be determined by the Project Officer in coordination with the NARPM Co-chairs. Support of this conference shall not be counted as a course offering.

The contractor shall prepare six of the modules to online modules to be posted on the Environmental Response Training Program Virtual University.

In Accordance with the Performance Work Statement Part B the contractor shall be responsible for the following:

- developing a course schedule for Project Officer approval
- student registration
- schedule of instructors
- presentation of training courses
- improvements to course materials
- maintain course files
- acquiring and maintaining equipment
- issuing student certificates

Improvements to course materials and presentations may be requested by the work Assignment Manager, JoAnn Eskelsen, through the issuance of written Technical direction.

2.0 Deliverables

An end of course summary with course statistics shall be prepared and delivered electronically at the conclusion of each course and/or exercise.

3.0 Period of Performance

The Period of Performance is the duration of the first award fee period. (08/01/2011 to 07/31/2013)

4.0 Government Furnished Property

The Contractor shall utilize available EPA equipment provided and shall provide all personnel, and additional equipment and supplies necessary to complete this work assignment. There is no specific list of government furnished property for these courses and exercises.
